

Washington, D.C. – Congressman Sanford D. Bishop, Jr. (GA-02) today unveiled his redesigned Congressional Web site. The new site, which boasts a user-friendly layout and interactive new features, can be accessed at the same URL: <http://bishop.house.gov> .

“One of my top priorities is to make sure you are informed about the current issues and legislation that I am working on in Congress,” Bishop said. “Therefore, I am pleased to debut this new Web site that will serve as an easy-to-navigate ‘virtual office’ where I can provide you with the latest information concerning my legislative activities, constituent services, and district events. With the ever-expanding role of the Internet in our lives, it is my hope that this new Web site will be a useful resource for residents of Georgia’s Second Congressional district.”

The redesigned site offers several new features including interactive maps and calendars, YouTube video, expanded content sections, and more. Additional features will be added in the coming weeks.
